Patrick C.S. Lo has served as Chairman and Chief Executive Officer of Netgear since March 2002. From September 1999 to March 2002, he served as President, and since Netgear's inception in 1996 to September 1999, he served as Vice President and General Manager. Mr. Lo joined Bay Networks, a networking company, in August 1995 to launch a division targeting the small business and home markets and established the NETGEAR division in January 1996.

From 1983 until 1995, Mr. Lo worked at Hewlett-Packard Company, a computer and test equipment company, where he served in various management positions in software sales, technical support, network product management, sales support and marketing in the United States and Asia, most recently as the Asia/Pacific marketing director for Unix servers. Mr. Lo received a B.S. degree in Electrical Engineering from Brown University.
